The screenshot displays the Mantra Technology website interface. On the left is a navigation sidebar with categories like Productivity, Flow.ly, Track.ly, etc. The main content area is divided into three sections: 'Find and verify email addresses', 'Email Finder', and 'Domain Search'. Each section is highlighted with a callout box. The 'Email Verify' callout shows a form with the email 'Jordan@500app.com' and a 'Verify' button. The 'Domain Search' callout shows a form with 'agilecrm.com' and a 'Find Email Address' button. The 'Search Results' callout shows a detailed view for 'Jason@agilecrm.com' with a 'Success' status and '100%' confidence. The 'Email Finder' callout shows a table of search results.
